History of FAM Church

FAM Church launched in 1937 when an evangelist by the name of Winnie Wood came from Texas to Mulberry, set up a tent in the northwest area of the city and began revival meetings. People responded to those meetings and Winnie gathered those who gave their lives to Jesus and formed a new church. In 1938 a building was completed on NW 8th Street complete with flaps for windows, sawdust floors, and wood heaters. This established First Assembly of God Tabernacle as a permanent fixture in Mulberry.

In 1961 Pastor T.A. Williams, the fifth pasture of the first assembly begin a building project that was completed during the Ministry of the sixth Pastor, Reverend Leon Boswell in 1964. In 1980 the present building was built by Pastor Wayne Blackburn in dedicated on October 19, 1980. Since the completion of the current building a family life Center in student life center have been added to the campus.

The most important thing about being a part of a church is to know where it is going; therefore, we have a mission, vision, and core values which lead, guide, and direct our church.

Drop Off & Pick Up:

When dropping off your child at FAM Kids Club, both the parent and the child will enter the building and the parent will check in their child using the student checking system. Upon pick up, parents will enter the building and use the student check out system before leaving. Only approved individuals which are listed on the child's FAM Kids Club Release Form (Must have at least 2 approved persons) will be allowed to pick up the student. At pick up proof of photo ID is required. If a person not listed on the Release Form is going to pick up the child there must be a written notice of pick-up change which can be emailed to famkids@myfamchurch.com, or message through brightwheel informing us on this change (a phone call will not suffice).

Supervision:

Safety is our top priority. At FAM Kids Club we always follow the church policy/procedure of two adults with children. We do a headcount anytime we change locations and each child must ask for permission to use the restroom and will receive a bathroom pass. When the pass is returned, we know the child is back.

Sick Policy:

Under no circumstances may a parent/guardian bring a sick child to FAM Kids Club, if the child shows any signs of illness see (SYMPTOMS REQUIRING REMOVAL OF CHILD FROM PROGRAM). Sick children will expose all children and staff members they come in contact with. If other children become ill due to exposure to your sick child, either because he/she was returned to the program before a full recovery or because he/she was not picked up promptly upon notice of becoming ill, other parents will be unnecessarily inconvenienced. Your cooperation on this issue is extremely important. In the event a child becomes ill and needs to be picked up, the parent(s)/guardian(s) will be called and are expected to come pick the child up within 60 minutes. If the parent/guardian cannot be reached, or has not arrived within an hour, the emergency contact person will be called and asked to come pick the child up. In the event a child complains about not feeling well during the day, the parent will be contacted.

FAM Kids Club Behavior Code of Conduct

This code has been developed in order to provide children with advice on the behavior that is expected of them when attending and using the facilities of FAM Kids Club. It's been shaped by the views of children and young people.

Purpose:

The purpose of FAM Kids Club is to provide a safe, educational, and fun program for students. During each day students will be provided breakfast, lunch and a snack. They will do crafts, outdoor play, snacks, reading time, and field trips.

Basic principles:

This code of behavior for children and young people is intended to:

- identify acceptable behavior for children.
- promote self-respect and self-control;
- encourage individual responsibility for behavior and outline the consequences of poor behavior;
- encourage children and young people to recognize and respect others
- encourage cooperation at all times and in all situations;
- promote the values of honesty, fairness and respect;

ID: X10PO0048

ID:43863

- anticipate and resolve any conflict that may arise;

Dos and don'ts:

Children are expected to:

- cooperate with each other
- be friendly
- listen to each other
- be helpful
- follow this code of behavior and other rules
- stick to the e-safety policy and agreement when using the internet, social networking sites, mobile phones etc.
- have good manners
- join in and participate
- respect each other's differences
- treat staff and volunteers with respect
- report anything that worries or concerns them to a staff member.

ID: X10PO0048

ID:43863

Children shouldn't:

- pick on or make fun of each other
- bully each other
- yell or shout at others, or use foul language
- be abusive
- use equipment to be abusive or to cyberbully – for example, by using mobile phones to send nasty messages, taking and sharing photos without permission, (leaving unkind comments on a webpage or social network profile).

Breach of this code of conduct:

This code of conduct is only useful if it forms part of a process for guiding children to receive appropriate support.

It's the responsibility of our staff and parents to ensure that all children and young people attending FAM Kids Club are informed of this code of conduct. It is imperative to confirm with your child that they have seen, understood and agree to follow the code of conduct. Children must also be made aware of the consequences if they breach the code.

Following the 3 Strike system

1. If a child breaches the code of conduct, the most appropriate sanction for a minor or first-time breach will be to remind him or her about the code of conduct and ask him or her to comply with it (verbal reinforcement). Children will be given the opportunity to reflect, enabling them to plan a positive response, with support from staff

2. If, having followed the above step, the child continues to exhibit inappropriate behavior, she or he should be referred to the appropriate member of staff who will give her or him a formal, 1st Strike warning; (1st formal write up)

Supportive interventions may need to be identified at this stage. The action should also be recorded in the discipline book and parents/guardians informed.

3. Any further persistent inappropriate behavior will result in a more serious sanction being imposed by FAM Kids Club. This is the 2nd Strike warning. (2nd formal write up) Again, supportive interventions may need to be identified at this stage. This action should also be recorded

4. If these interventions are still not effective in helping the child to change his or

ID:43863

her behavior, a 3rd Strike warning may be needed, with further sanctions (3rd formal write up resulting in a two week suspension).

It may be that at this point, FAM Kids Club staff will discuss with the child and his or her family a possible referral for further support from other services.

Use of child protection procedures:

If staff at FAM Kids Club become concerned that a child's behavior suggests either that he/she may be at risk of significant harm or that he/she may present a risk of significant harm to other children, FAM Kids Club's child protection procedures will be followed, and a referral may be made to the local authority children's social care department.

Such a referral would be discussed with the child and his/her family at the earliest possible opportunity, except in situations where this would possibly endanger a child's safety or interfere with a police investigation.

Parent Code of Conduct

FAM Kids Club recognizes the importance and value of a mutually supportive relationship between the staff and parents. The education and safety of a child is best served when the staff and parents share a commitment to collaboration, open lines of communication, mutual respect, and when roles, responsibilities, and expectations are clearly defined. The Club reserves the prerogative to enroll students and families who fully embrace the mission, vision, policies, and procedures adopted by the Club, including our commitment to diversity and respect for individual differences. It's a further expectation that parents will address any concerns in a positive and supportive manner, avoiding public actions or criticism detrimental to the Club or its employees. The addendum to this code of conduct further clarifies expectations intended to ensure an orderly, respectful, and secure educational environment.
